

Filming & Photography at Milton Keynes Dance Centre (MKDC)

We take photographs and videos of those who attend MKDC in classes, at our shows, at external events/competitions we attend and in photo shoots at MKDC. These photographs and videos are used in displays at MKDC, in printed publications, on our website and our social media channels (including, but not limited to, Facebook and Instagram) for advertising and promotional purposes as well as for celebrating the successes of our dancers.

With the exception of competition dancers and award winners, if we use photographs of individuals, we will not use the name of that individual in the accompanying text or photo caption.

From time to time, our dance school may be visited by the media who will take photographs or film footage of an event or class. Pupils may appear in these images, which will sometimes be published in local or national newspapers, or on recognised websites such as MK Citizen or Willen Hospice.

To comply with the Data Protection Act 2018, we need your permission to use images of you in this way. Please tick the boxes below to give permission or cross out the sentence where permission is not given, then sign and date the form where shown and return the completed form to us. If we do not hold a completed form for you then we will assume that you do not give permission for us to film or photograph you in this way and you will not be able to participate in any photographs or filming.

Many Thanks
The MKDC Team
